PROFESSIONAL SUMMARY: Self-motivated employee searching for employment that requires strong interpersonal skills, effective leadership capabilities, strong organizational skills, and good verbal and written communication abilities

EMPLOYMENT HISTORY:

Kansas City Drum Lessons – Kansas City, MO

Owner and Instructor

February 2010 - Current

- Conveyed complex instructions to students by making difficult information easy to understand by creating musical papers that are simple and easy to comprehend
- Motivated students by using essential listening skills and further enhanced communication abilities by demonstrating patience with different learning styles
- Focused on developing time management skills by promptly giving students feedback from tests and homework assignments to further excel at completing responsibilities

Photographer Assistant – Kansas City, MO

Freelance Photographer

January 1997 – January 2012

- Created work schedules that coincided with the objectives of notable photographers such as John Baxter, Tim Strobe, and Donald Smith who all increased the learning curve
- Arrived early to every project so that being on time is late for shoots that could last a week or more while mastering various gear such as cameras, lights, and modifiers
- Met the instructions of the photographer and offered advice on how the client should pose and advised our team on the benefits of adding or removing props from the set

Screen Printer – Kansas City, MO

Printer

January 1997 – May 1999

- Used natural curiosity and creativity to design screen print patterns such as flowers and geometric patterns that are applied into a fabric such as a t-shirt design
- Mixed the appropriate ink colors, placed the screen onto the printer, produced the final printed articles, and cleansed the printing machine upon the completion of each batch
- Utilized organizational skills after receiving work orders and determined the appropriate printing times and material quantities needed for the successful completion of the job

SKILLS – Adobe Photoshop, Graphic Design, Photography, Microsoft Word, Layout Design

EDUCATION – Graphic Design – Hansen Community College – September 1995 to May 1996
